

Membership Support

125 LIVE recognizes that many seniors live on a fixed income and as such, funds are tight. Our Membership Support Program provides the opportunity for adults with financial limitations to be a Member of 125 LIVE and benefit from all of the programming, resources and tools that we have to offer.

Supported memberships are obtained through one short meeting with a 125 LIVE staff member using a sliding-fee scale (available online) to determine membership cost based on your verified income.
