125 Live Pickleball Players,

Exciting news! The 2021-2022 indoor Pickleball season will run at the REC Center from October 18, 2021, to April 30, 2022. Additionally, 125 Live Social or Fitness members may play pickleball at the Rec Center during the season.

To join, all players must:

1. Go to the Rec Center website and create an online account
   - Website: Rochester, MN (myvscloud.com)
   - Once you have created an account, a free pickleball membership will be assigned to you. You can use this membership to reserve a spot to play.
2. To reserve and register for a pickleball session. Go to the following link: Rochester, MN Search (myvscloud.com)

Registration information:

1. Each session is 1.5 hours long.
2. You can only reserve seven days in advance, and you can only make one reservation per day.
3. The cut-off for registration for the next day is 9 pm the night before.
4. Only times that show up green on the Rec Center website can be reserved.
5. Each session will have a maximum enrollment of 16 people.
6. There will be NO EXCEPTIONS regarding online reservations and payments. There will be no walk-ins permitted.

Check-in Information:

1. Check-in at the Rec Center will be through door #3. This is the only door that players will be allowed to enter. Failure to follow this may result in their membership being suspended.
2. Please go to the counter with the plexiglass window and find your name on the roster when you enter. Then, please check off your name and go to the gym.
3. If more than 16 players are in the gym or names have not been checked off, play may be halted to verify who has registered.
4. When players are finished, they should exit out the front doors of the Rec Center. Again, failure to follow this policy may result in your membership being suspended.

Other important information for you to know:

1. The Pickleball roster will be automatically emailed to 125 Live to verify your membership and for insurance reimbursement.
2. As many of you know, we have days when the gym is closed for swimming and skating events. Currently, we have booked over 900 hours for indoor pickleball.
3. Admission to the reserved pickleball times is also open to people with Rec Center pickleball punch cards or the general public.
4. Currently, masks are required in City buildings. For pickleball, this means you must wear a mask when you enter and leave the building. However, you are not required to wear a mask while you play pickleball.
