Pricing:

- **Social AND Fitness** members and **PAID Fitness** members can play at **no charge**.

Therefore, to cover the costs associated with the rental and staffing of the Rec Center gym, the pricing structure outlined above reflects the full range of services provided to each membership type, ensuring that all applicable services are appropriately covered.

Please note, that members who are subject to the per-session visit fee must have a credit card on file for access; **no cash payments** will be accepted.
