Fitness Class Descriptions

Aqua Fit- Resistance of water along with various pool equipment this workout will increase cardio capacity and help to build strength all while keeping your joints safe and healthy.

Aqua Strength- Pool weights, noodles and kickboards are used as resistance tools to build strength and improve muscle tone

Aqua Zumba- Dance your way to a healthier you. Zumba in the water is excellent for increasing agility and cardio capacity while being easy on the joints

Aqua-Aerobics- Low impact, and joint friendly dance and equipment based pool class with music movement at it's core.

Boxing 101- Beginner friendly. Cardio focus with strength aspects to improve overall fitness, coordination, and endurance.

Boxing Non-Contact- This class will introduce new boxers to basic techniques including proper stance, safe execution of punches, kicks and simple combinations

Cancer Fitness-Supportive workout group dedicated to regaining strength, mobility, balance and range of motion due to cancer treatments or surgeries

Cardio Dance - Cardio workout choreographed to music!

Cardio Drumming- Choreographed rhythmic drumming with a bit of dancing and fitness infused to make it as fun as it is effective

Cardio Kickboxing- a music driven workout combining kicks, blocks and punches to create a moderate to high intensity cardio class

Cardio-Boxing-Sylwia's signature workout featuring an intense strength and cardio circuit at the fitness floor as well as 30 minutes work on punching bags in the boxing studio.

Cycle- an energetic knee friendly cardio workout on the stationary cycles, upbeat music gets your heartrate soaring, choose between an upright or recumbent bike

Dance- Low to Moderate impact, Varied intensity. Explore different styles of dance with classic and popular music to motivate you to be active and keep moving.

Everyday Balance- work on improving your balance, posture and core strength in a variety of strengthening and lengthening exercises

Fitness Barre- a hybrid workout class combining ballet inspired moves with elements of Pilates, dance, yoga and strength training, lower weights, higher repetitions

Functional Strength- Beginner friendly! Exercise focused on incorporating functional movements from daily life: Strength, agility, balance, and endurance.

Gentle Mat Pilates - Designed to improve physical strength, flexibility, and posture

HeartStrong- Dance, move and lift your way to better health. A perfect mix of strength and cardio combine to give you a great workout, low impact moderate intensity

Kettlebells- Low impact high intensity strength and conditioning using a kettlebell as your resistance tool

Pedal for Parkinsons- Steady state cardio class designed and created for those living with PD and other neuro differences

Pilates-This class combines traditional mat Pilates movements of barre, yoga, strength, and calisthenics to increase strength, muscular endurance, balance, and flexibility.

Pool Volleyball- Member led aquatic volleyball. Fun activity for all levels.

POUND-Music driven total body workout using lightly weighted Ripstix (drumsticks)

PWR- Parkinson's Wellness Recovery- Sports fitness and more traditional activites such as strength, agility, balance, coordination and flexibility, designed for Parkinson's

Rowing- Low impact, varied intensity, exercise using rowing machines for a total body workout

Seated Strength- modified strength training made for beginning exercisers and those needing extra support

Stand Strong- evidence based exercises specifically designed to prevent falls and improve balance and stability while increasing strength and flexibility

Strength & Cardio - Aerobic and strength based class for most all levels.

Strength & Core - Strength based exercises with a focus on core strength and stability.

Strength 101- beginner friendly and suited for the regular exerciser, build strength by using various resistance tools including dumbbells, bands, balls and even your own body

Strength/Endurance- total body workout using fitness balls, weights, bands and body wiehgt as resistance. This workout includes standing and floor work

Strength- Strength exercises; squats, presses, curls combine to create a total body workout using various resistance tools including dumbbells, bands, balls and body weight

Stretch & Tone Yoga - Gentle full range of motion yoga flow.

Strong Nation- This total body workout using body weight to create a high intensity workout of conditioning, strength and plyometrics.

Tai Chi Chih- gently flowing moving meditation to help with pain management and daily stress reduction

Easy Tai Chi - Perfect for beginners! Work on your balance and range of motion exercises

Yoga 101- Traditional yoga postures are practiced then linked together to create basic flows for those new to yoga

Yoga- enhance your mind body connection while increasing flexibility, strength and balance through stretching and deep breathing techniques

Yoga II-Vinyasa flow with chatarungas; more intense core work; emphasizing breath control through more challenging poses.

Yoga(chair assisted)- yoga postures modified and practiced while seated in a chair, learn deep breathing techniques while increasing your strength and flexibility

Zumba- A fun dance workout where you can learn routines with exciting music while increasing your cardio capacity and agility
