Fitness Class Descriptions

Aqua Fit- Resistance of water along with various pool equipment this workout will increase cardio capacity and help to build strength all while keeping your joints safe and healthy.

Aqua Strength- Pool weights, noodles and kickboards are used as resistance tools to build strength and improve muscle tone.

Aqua Stretch- Improve flexibility, mobility, and relaxation through guided stretches performed in the support of warm water.

Aqua Zumba- Dance your way to a healthier you. Zumba in the water is excellent for increasing agility and cardio capacity while being easy on the joints.

Aqua-Aerobics- Low impact, and joint friendly dance and equipment based pool class with music movement at its core.

BOSU- A dynamic workout that uses the BOSU ball to improve strength, stability, and core engagement through a variety of functional and balance-focused exercises.

Boxing 101- Beginner friendly. Cardio focus with strength aspects to improve overall fitness, coordination, and endurance.

Boxing Non-Contact- This class will introduce new boxers to basic techniques including proper stance, safe execution of punches, kicks and simple combinations.

Cancer Fitness- Supportive workout group dedicated to regaining strength, mobility, balance and range of motion due to cancer treatments or surgeries.

Cardio Dance - Cardio workout choreographed to music!

Cardio Drumming- Choreographed rhythmic drumming with a bit of dancing and fitness infused to make it as fun as it is effective.

Cardio-Boxing- Sylwia's signature workout featuring an intense strength and cardio circuit at the fitness floor as well as 30 minutes work on punching bags in the boxing studio.

Cycle- an energetic knee friendly cardio workout on the stationary cycles, upbeat music gets your heart rate soaring, choose between an upright or recumbent bike.

Everyday Balance- work on improving your balance, posture and core strength in a variety of strengthening and lengthening exercises.

Fitness Barre- a hybrid workout class combining ballet inspired moves with elements of Pilates, dance, yoga and strength training, lower weights, higher repetitions.

Gentle Mat Pilates - Designed to improve physical strength, flexibility, and posture.

HeartStrong- Dance, move and lift your way to better health. A perfect mix of strength and cardio combine to give you a great workout, low impact moderate intensity.

Kettlebells- A full-body workout that uses kettlebells to build strength, improve endurance, and enhance functional movement through dynamic and controlled exercises.

Pedal for Parkinsons- Steady state cardio class designed and created for those living with PD and other neuro differences.

Pilates- This class combines traditional mat Pilates movements of barre, yoga, strength, and calisthenics to increase strength, muscular endurance, balance, and flexibility.

Pool Volleyball- Member led aquatic volleyball. Fun activity for all levels.

POUND- Music driven total body workout using lightly weighted Ripstix (drumsticks).

PWR- Parkinson's Wellness Recovery- Sports fitness and more traditional activities such as strength, agility, balance, coordination and flexibility, designed for Parkinson's.

Qigong- slow, fluid movements coordinated with deep breathing and focused intention to cultivate and balance the body's vital energy.

Rowing- Low impact, varied intensity, exercise using rowing machines for a total body workout

Seated Dance- A fun, low-impact dance fitness class that included movements to get your heart pumping - all from the comfort of a chair.

Seated Strength- modified strength training made for beginning exercisers and those needing extra support.

Stand Strong- evidence based exercises specifically designed to prevent falls and improve balance and stability while increasing strength and flexibility.

Stand Stronger- Level Up! Exercise focused on incorporating functional movements from daily life: Strength, agility, balance, and endurance.

Strength & Cardio - Aerobic and strength based class for most all levels.

Strength & Core - Strength based exercises with a focus on core strength and stability.

Strength 101- beginner friendly and suited for the regular exerciser, build strength by using various resistance tools including dumbbells, bands, balls and even your own body

Strength/Endurance- total body workout using fitness balls, weights, bands and body weight as resistance. This workout includes standing and floor work.

Strength- Strength exercises; squats, presses, curls combine to create a total body workout using various resistance tools including dumbbells, bands, balls and body weight

Stretch- A gentle, guided class focused on improving flexibility, releasing tension, and enhancing overall mobility through mindful stretching.

Stretch & Tone Yoga - Gentle full range of motion yoga flow.

Tai Chi Chih- gently flowing moving meditation to help with pain management and daily stress reduction.

Easy Tai Chi - Perfect for beginners! Work on your balance and range of motion exercises.

Yoga 101- Traditional yoga postures are practiced then linked together to create basic flows for those new to yoga.

Yoga- enhance your mind body connection while increasing flexibility, strength and balance through stretching and deep breathing techniques.

Yoga Sculpt- a high-energy fusion of yoga, strength training, and cardio designed to build lean muscle, boost metabolism, and elevate your practice.

Yoga(chair assisted)- yoga postures modified and practiced while seated in a chair, learn deep breathing techniques while increasing your strength and flexibility.

Zumba- A fun dance workout where you can learn routines with exciting music while increasing your cardio capacity and agility.
