Acoustic Eidolon Concert

6-8pm, Tuesday, September 22

While Hannah Alkire and Joe Scott are masters of their respective instruments, it's their deep connection to audiences around the world that define "The Acoustic Eidolon Experience". Their personal stories for each song and engaging spirits create an evening of sheer entertainment. Whether they are sharing a powerful original composition about Hannah's grandparents' house or one of their distinctive covers of popular music such as Queen's "Bohemian Rhapsody", this duo delivers. Their sound, both new and nostalgic, is described as genre-bending. Drawing influences from Celtic, Americana, Folk and Flamenco, it is authentic and passionate. That's why audiences of all ages and musical tastes consistently rave about this Colorado-based duo. These are visionary musicians/artists whose original works and arrangements rightly stand out amongst the easily-formatted. Over AE's career, they have recorded 13 extraordinarily diverse and distinctive CDs, two DVDs and embarked on multiple worldwide tours.

SOCIAL CLASSES**Mayo Clinic Community Blood Drive at 125 LIVE****7:45am-3pm, Wednesday, September 16**

Join us for the upcoming Community Blood Drive at 125 LIVE in the lower-level parking lot and help make a lifesaving difference in our community. Every blood donation supports local patients in need, and in Olmsted County, someone requires blood or blood products every 10 minutes. Appointments are encouraged.

New Donor Registration:

https://docs.google.com/spreadsheets/d/1tzlCRYPEM36pj5f8isYXuLD1G2j8yk25MXN_dLxi9l0/edit?usp=sharing

Current Donors:

Schedule your appointment through the donor portal or by calling the Mayo Clinic Blood Donor Program at 507-284-7745.

As a special thank-you, all presenting donors will be entered for a chance to win a personal indoor infrared sauna. In addition, all first-time donors will receive a new donor appreciation gift after their donation.

Your donation has the power to save lives. Roll up your sleeve, give the gift of life, and take advantage of these special donor rewards while helping meet a critical local need.

Fall Prevention Awareness with Dr. Nate Skare**10-11am, Wednesday, September 16**

September is Fall Prevention Awareness Month. Join Dr. Nate Skare of Skare Spine and Performance for a presentation on falling and fall prevention. Falls become increasingly common as we age, with 40% of those over 70 and 60-70% of those over 85 falling annually. Prevention becomes crucial since a significant portion of hip fractures result from falls. Join us to explore predictors of falls and effective solutions to mitigate your fall risk.

Presenter: Dr. Nate Skare

SOCIAL CLASSES

Rochester Clinic/Lotus Health Foundation Presents: Brain Health Series: Movement for Brain Health — Including QiGong

10-11:30am, Monday September 21

This workshop highlights the importance of physical activity as a cornerstone of cognitive health and dementia prevention. Participants will learn how movement improves brain function through increased blood flow, neuroplasticity, and stress reduction. The session includes an introduction to QiGong, a gentle, low-impact mind-body practice that integrates movement, breathing, and mental focus. You will engage in guided exercises designed to improve balance, coordination, and relaxation. Also, we will cover practical strategies to incorporate regular physical activity into daily life, regardless of fitness level. The goal is to empower participants with simple, sustainable movement practices that support both physical and cognitive well-being. Lastly, healthy brain food samples and recipes will be provided.

Presenter: Rochester Clinic/Lotus Health Foundation
Free with registration.

Register by September 18.

Caring Transitions Presents: The Art of Downsizing

SOCIAL CLASSES

Olmsted Medical Center Presents: Wound Prevention: An Ounce of Prevention is Worth a Pound of Cure
1-2pm, Tuesday, September 22

Learn how small, everyday choices can help you protect your skin, prevent wounds, and recognize changes before they become bigger problems. This class will teach you to become a "skin detective" by using five simple rules: Look, Move, Protect, Nourish, and Inform. We'll explore the importance of checking your skin for changes, staying active to keep your body and feet healthy, protecting your skin from injury, and keeping your feet happy. You'll also learn how hydration, good nutrition, and regular moisturizing help support healthy skin from the inside out. Most importantly, you'll learn when a change in your skin needs attention and how to get help early. By the end of the class, you'll have practical tools to make skin and wound prevention part of your everyday routine.

Presenter: Dr. Moncrief and Dr. Pfizenmaier

Register by September 2.**Brain Health and Longevity****2:30-3:15pm, Wednesdays, September 2-30**

Brain health is all about getting in touch with your well-being. The brain coordinates your thoughts, emotions, and even movement and is an important factor in staying independent longer. This class will dive into 4 pillars of brain health after a guided meditation and light chair yoga. This class is for those looking to increase well-being, independence, and tips to keep your brain healthy and vibrant!

Register by September 1.**Evening Aqua Cycle September****8:10-8:40pm, Tuesdays & Thursdays, September 8-24**

An aqua cycle class is a high-energy, low-impact workout that takes place in the water, combining cycling with water resistance to tone muscles and improve cardiovascular health. Participants pedal on stationary bikes submerged in the pool, benefiting from the water's buoyancy to reduce joint strain while still achieving a full-body workout. Join us in the warm-water pool for 30 minutes of interval training on the aqua cycle bikes.

Register by September 8.**Core Rehab****7:10 - 7:40am, Mondays, September 14 - October 5**

Many of us lack back and/or core strength. Back pain and injuries are often the result of the lack of strength and poor movement patterns. This class is all about progressing strength and stability through the abdominals, glutes, and back for long term injury prevention and performance for general exercise, fitness training, sports, and everyday life! Floor exercises included.

Register by September 14.**SPECIALTY FITNESS CLASSES****Shoulder Strength****6:30-7:00am, Mondays, September 14-October 5**

Build functional upper body strength, support your posture, and protect your joints in this shoulder strengthening class! This class will focus on balancing all 3 deltoid muscles, while also reinforcing the deep stabilizing muscles of the rotator cuff. Your shoulders are the most mobile, and vulnerable joints in the body, so whether you are looking to strengthen, improve movement, or decrease pain, check out this offering! Expect to use weights and or bands for targeted exercises
